

Every Name Index to Cedar Creek Cemetery (containing 753 records)

Cedar Creek Cemetery is located in Cedar Creek Township on the east side of Lowell, Indiana, on Route 2. It is a small section located in the southeast corner of Lowell Memorial Cemetery. Enter the cemetery by using the farthest east road.

The cemetery was read in 1950's by Mrs. Avis Brown & Mrs. Francis McBride; we are grateful to them for their previous records. It was updated by Martha (Daugherty) and Jeff Latko for the Northwest Indiana Genealogical Society in November of 1993.

The rows were read from north to south starting in the east part of the cemetery going to the west. Row 1 is located next to the road.

This is only an every name index.
