

Every Name Index to Merrillville Cemetery (containing 447 records)

Merrillville Cemetery is located at 700 East 73rd Avenue in Ross Township. It is one mile east of Route 53 on the north side of 73rd Avenue just west of Interstate 65. It was read several years ago and some of those records have been used in this index.

The cemetery was last updated July 1993 by Joe, Patricia, and Jerry Duggins for the Northwest Indiana Genealogical Society and again in 1995.

The rows were read from south to north, starting on the west side of the cemetery. Some of the stones are very hard to read.

This is only an every name index.
