

## Every Name Index to St. Anthony/Klassville Cemetery (containing 129 records)

---

The St. Anthony/Klassville Cemetery is located in Hanover Township, Lake County, Indiana. The cemetery was first read by Avis Brown and Frances McBride in 1955 for the D.A.R. Harold Huntington updated the cemetery reading in 1992 for the Northwest Indiana Genealogical Society.

In the first records it mentions that the land that the cemetery sits on was deeded to the Ft. Wayne Diocese for the use of the Roman Catholic Congregation of West Creek in 1860. A Catholic church was established in 1860, but has longed moved away. In 1952, at the request of those interested, the priest at Holy Name/St. Martin Church supervised the restoration of the cemetery. Holy Name/St. Martin is in charge of the cemetery now.

This is only an every name index.
