

Every Name Index to St. Peter and Paul Cemetery (containing 481 records)

St. Peter and Paul Cemetery is located in Ross Township on 56th Avenue about one-half mile east of Broadway on the north side of the road in Merrillville. It was previously updated in the 1950s by the D.A.R. It was updated for Northwest Indiana Genealogical Society by John and Catherine Lenburg in October 1994, then lastly in July of 1995. Also assisting with researching church records were Barbara Pawlak and Betty Johnson. We appreciate the help of all the volunteers.

The cemetery was read from the West side to the East side. Each row was read from south to north. The first row is next to the west fence. The cemetery was well cared for at the time of the last reading.

This is only an every name index.
