

Every Name Index to Woodvale Cemetery (containing 98 records)

Woodvale Cemetery in Ross Township, Lake County, Indiana, can be accessed by taking US Highway 30 to Randolph Street and then proceed north to 73rd Avenue. Turn east and travel one mile to County Line Road, then turn north and travel one-quarter mile to the cemetery, which is located on the west side of the road. Woodvale Cemetery was read by the D.A.R. in the 1950s and some of those records have been used in the construction of this index. In 1988, Charles Baughman updated the cemetery for the Eagle Scouts. Doris and Ed Brozak updated the cemetery in May of 1994, for the Northwest Indiana Genealogical Society. The rows in the cemetery were read from south to north. This is only an every name index.
